

SUGAR LASH PRO PRO TRIO KIT

01. & 02. Lash Tray: Two different trays of our professional grade eye lash extensions in a variety of Classic Lash diameters (0.12, 0.15 or 0.18)

03., 07., 14. Lash Lift Shields (SS, S, M): 5 Pairs of silicone lash lift shields in 3 different sizes to offer clients a desirable lift & optimal curl for their lash length.

04. LIFT Solution (5 X 2ml): Our Lash and Brow Lamination LIFT solution. Use as the first step in a Lash Lift or Brow Lamination service to allow the hairs to accept a new shape.

05. Isolation Tweezer: Essential for precise and safe lash extension application. Use these tweezers to separate individual natural lashes.

06. SET Solution (5 X 2ml): Our Lash and Brow Lamination SET solution. Use as the second step in a Lash Lift or Brow Lamination service to lock in the new hair position.

08. Foaming Cleanser (50ml): Effectively remove dirt, oil, and makeup to prepare the lashes and brows for extension, lift or lamination services.

09. Primer (30ml): Prep lashes for perfection! This primer removes residue and balances pH for ultimate lash extension adhesion.

10. Gel Remover (15ml): Remove lash extensions quickly and easily with our Gel Remover!

11. Signature Bond Adhesive (5ml): Delivers unmatched results! It's fast-drying (1-2 seconds) & versatile, with a beautiful black glossy finish. Perfect for all skill levels.

12. Placement Tweezer: The ultimate extension placement tweezers! Sharp, precise, and curved for effortless Classic lashing pickup and placement.

SUGAR LASH PRO PRO TRIO KIT

13. Cleansing Brush: Featuring super-soft bristles designed for effective yet gentle cleansing of eyelashes and eyebrows.

15. NOURISH Solution (5 X 2ml): Our Lash and Brow Lamination NOURISH solution. Use as the third and final step in a Lash Lift or Brow Lamination service to replenish nutrients in the lashes or brows.

16. Tape: Use our latex free Paper or Plastic tape to secure bottom lashes, assist with isolation or apply to your lash tile to hold adhesive.

17. Mascara Wands (Pack of 50): Use during and after your lash extension, lash lift or brow lamination application to provide a separated, defined and fluffy look.

18. Adhesive Film (Pack of 30): Secure our Adhesive Film stickers to a lash tile to secure adhesive drops throughout your Classic lash application.

19. Hydro-Gel Eye Pads (5 Pairs): Effectively isolate lower lashes for precise lash application and enhance client comfort during the process.

20. Lash Tile: Create a palette of several lash strips on the Lash Tile to minimize cross contamination.

21. Flocked Applicators (Pack of 100): Disposable, lint-free tools designed for precise and hygienic application of lash extension, lash lift or brow lamination liquids.

22. Lash Lift Adhesive (5ml): This gentle, water-based adhesive is perfect for lash lifts and brow laminations. It's easy to use and ensures a smooth, comfortable experience.

23. Y Tool (Pack of 5): A must-have for precise and efficient lash lifts. Its unique shape allows for effortless lash separation ensuring a flawless finish.
